

Cybersecurity is complex, Network Box makes it simple

NETWORK BOX Unified Threat Management Plus (UTM+) Package

Fully **MANAGED**, **AUTOMATED** and **EFFICIENT**
Enterprise-Grade Security for SMEs

Cyber attacks never stop – and a firewall alone won't save you. Hackers probe your network every second. Hundreds of intrusion attempts strike each hour. New viruses emerge by the minute, while most of your inbox is spam or phishing. **Network Box UTM+** delivers complete protection with advanced security technologies, backed by 24/7 monitoring, detection, and rapid response from our Singapore and Global Security Operations Centres. Your network stays secure, all year round.

- Managed Firewall
- Intrusion Detection & Prevention (IDP)
- Multi-layered Anti Malware
- Anti-Spam & Email Protection
